

# St. Mary Catholic School Latchkey Program

The St. Mary Catholic School Latchkey Program is provided as a resource to assist working parents with childcare before and/or after school and provides activities for the children in a safe secure environment. This program is available during the school year while school is in session. Latchkey **does not operate on non-school days** (closed on weekends, holidays, snow days, Christmas and Easter break, etc.)

## Registration

Children must pre-register for latchkey. An annual \$20.00 non-refundable registration fee per family is due at the time of registration. **Registration forms and emergency cards must be completed prior to attending.**

## Fees

Tuition will be paid on a weekly or monthly basis. Schedules, along with payment, must be received by 6:00 p.m. on the Friday prior to the week your child will attend. Payments must be made in the exact amount or by check as staff are not equipped to make change. *Missed days can not be refunded or transferred. When a child enrolls in the program, he/she is reserving space, staff, and program supplies.*

## **Rates for 2020 – 2021:**

## Policy and Procedures

All parents must accompany their child or children into the building in the morning and come into the building in the evening to pick them up. It is important that the children are signed in and signed out as they arrive and depart from the program. Children may not sign themselves in.

The Latchkey program will follow the same policy as stated in the school handbook with regard to medication, a child who becomes ill or injured, dress code and discipline.

Changes must be in writing to adjust schedules that have been submitted for multiple weeks in advance. Credit cannot be given for changes made in the current week.

Parents will need to provide a snack for their children in the afternoon sessions. Snacks will not be provided by the latchkey program but there will be a time in the program schedule for quiet time and snacks for the students.
